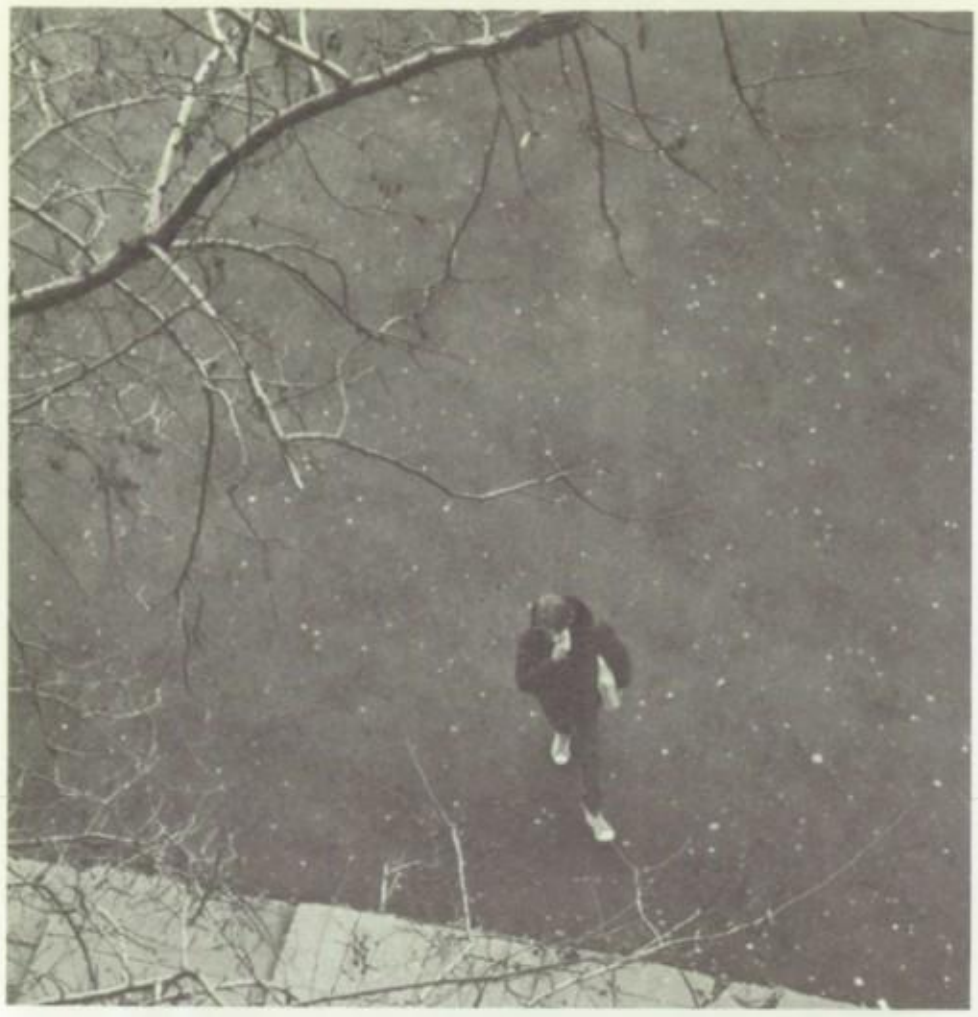
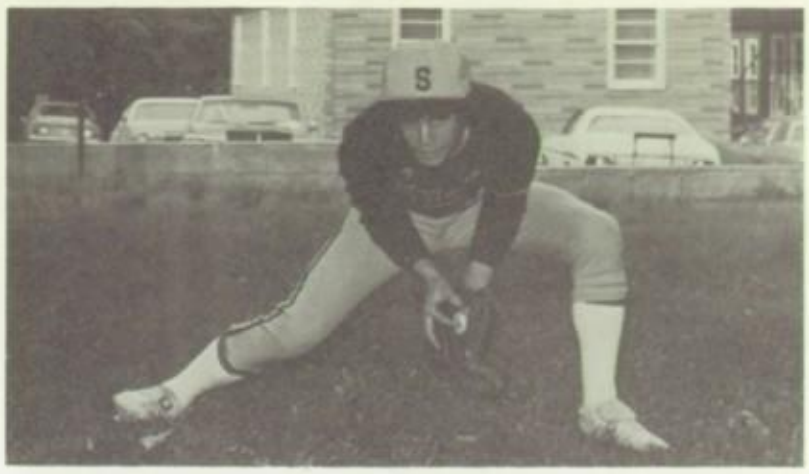
Dedication

**We dedicate the 1977 Helenian
to Monsignor Scanlan High School,
as we have known it in the past,
and to its unity
that we have come to know.**

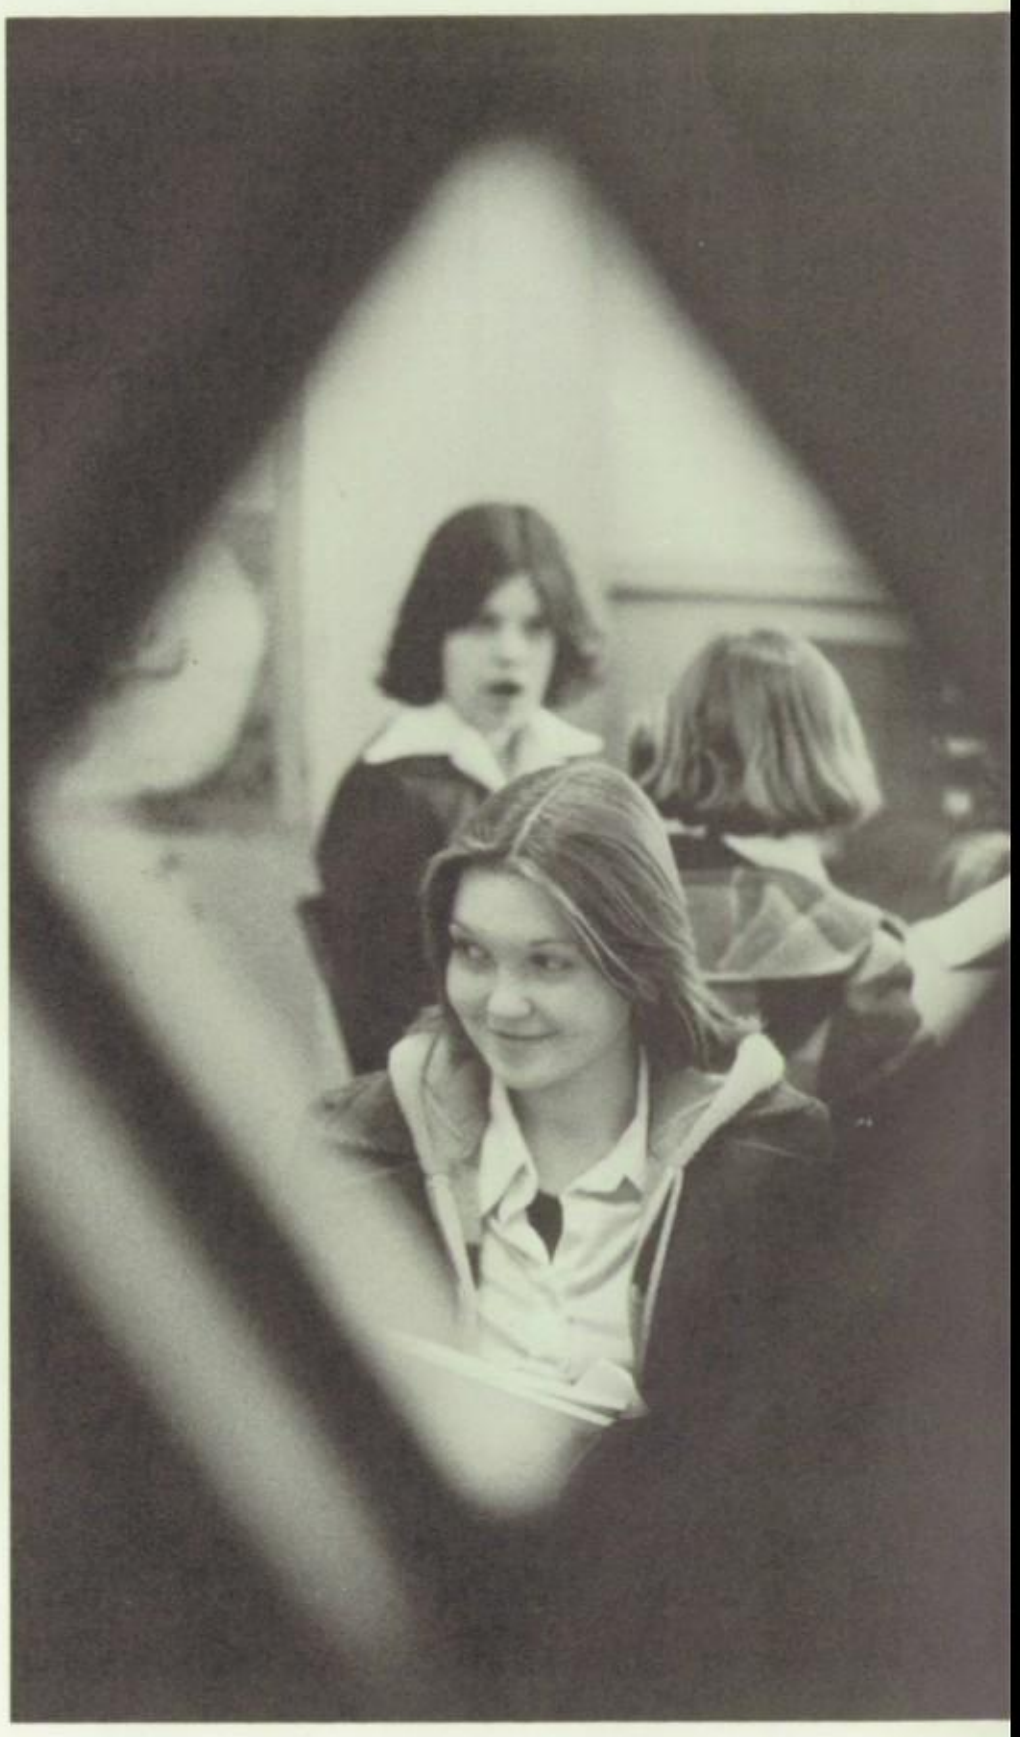
In the past,
Monsignor Scanlan
was two separate buildings,
two distinct roots.
Time,
an encouragement for change,
has elasped.
Thus, we have become One.

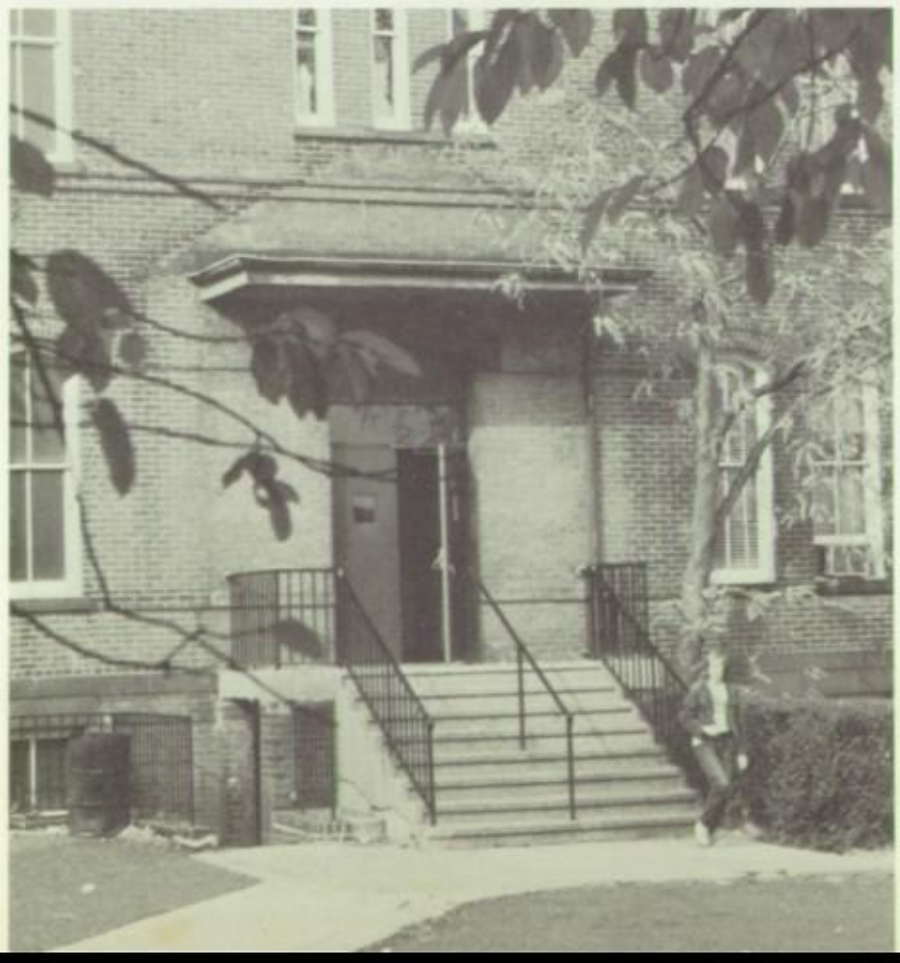




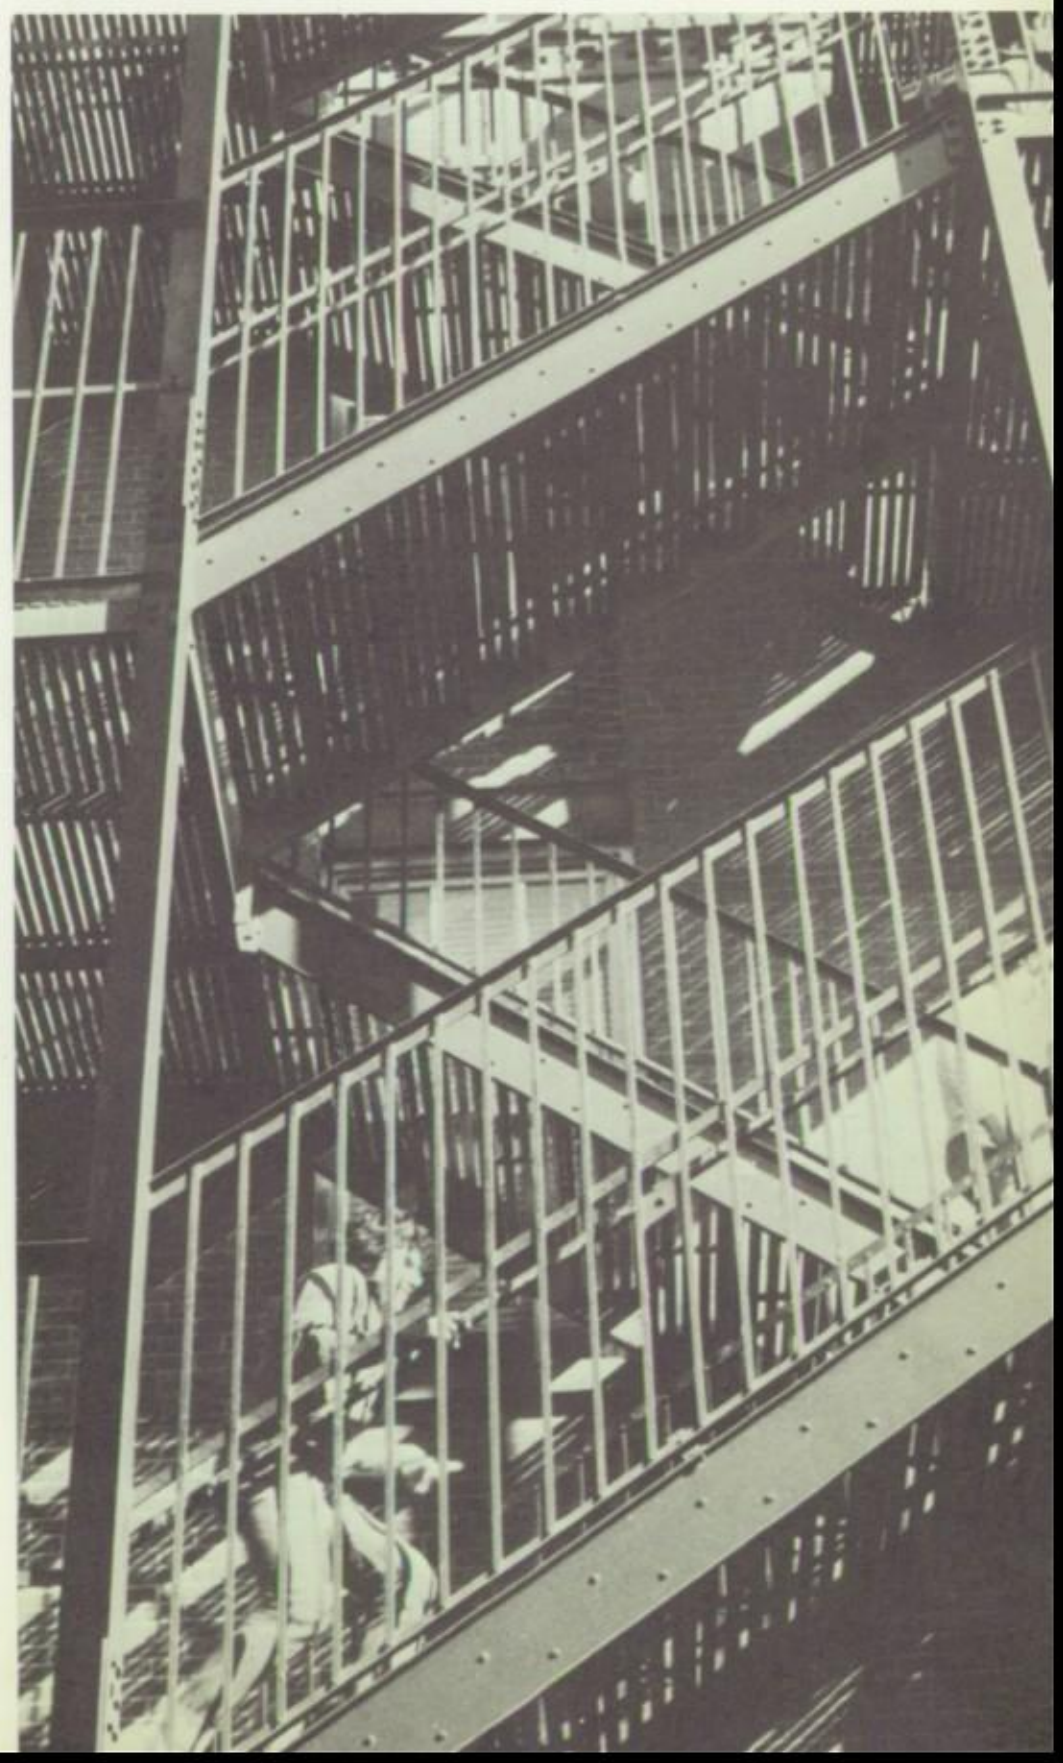
This year, 1977, marked a beginning
of a new school, a new growth.
However,
it is not an unfounded beginning
for we have many proud traditions,
and an inspiring past.
Thus, as One Spirit, we beat on,
striving high against the currents,
imprinting an image, a memory
on the shores of Time.

An open door,
a wheel constantly turning,
a vision yielding light
– this is Monsignor Scanlan
High School.

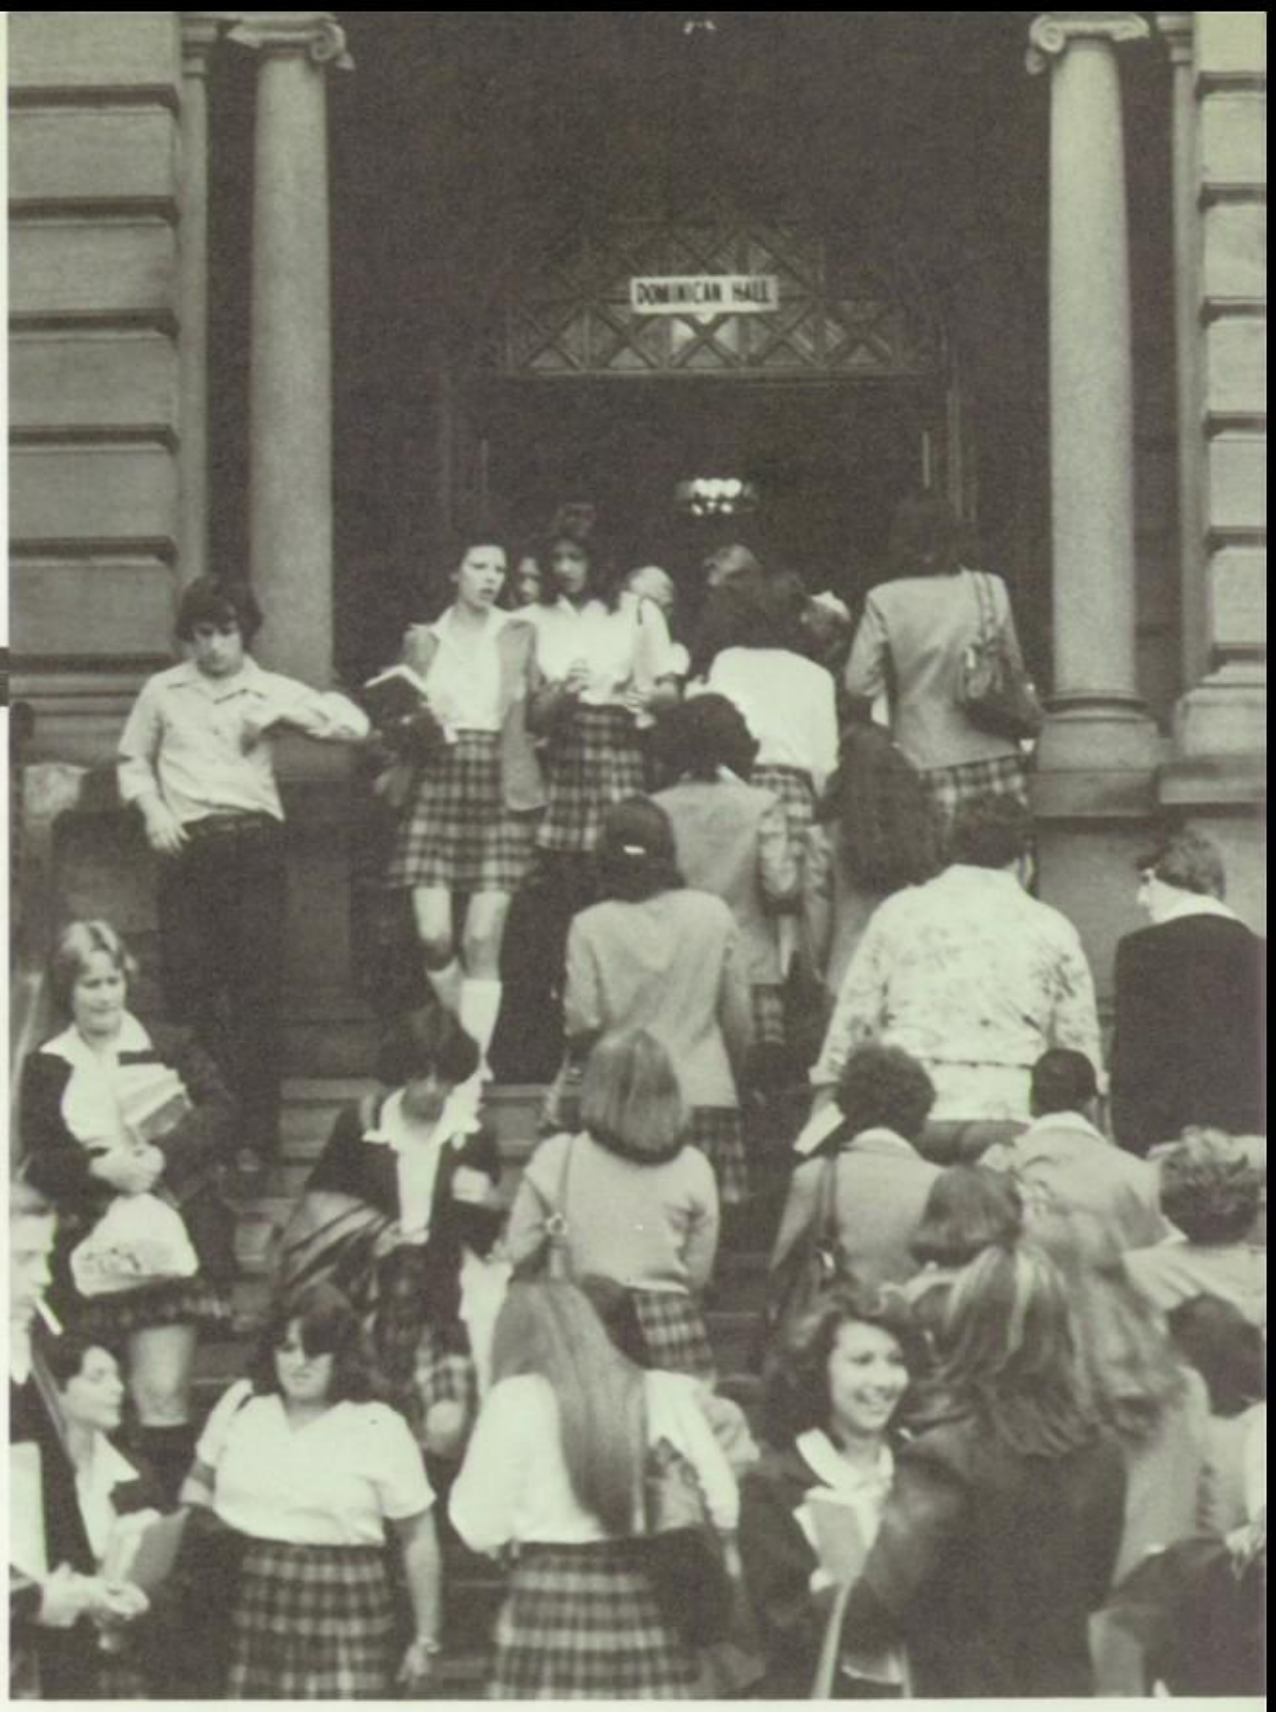




As we continue,
it does not matter how level
is the land we choose,
for there always will
be staircases to climb.
We must accept these
with vigor,
as they are elevations
to new heights of awareness.

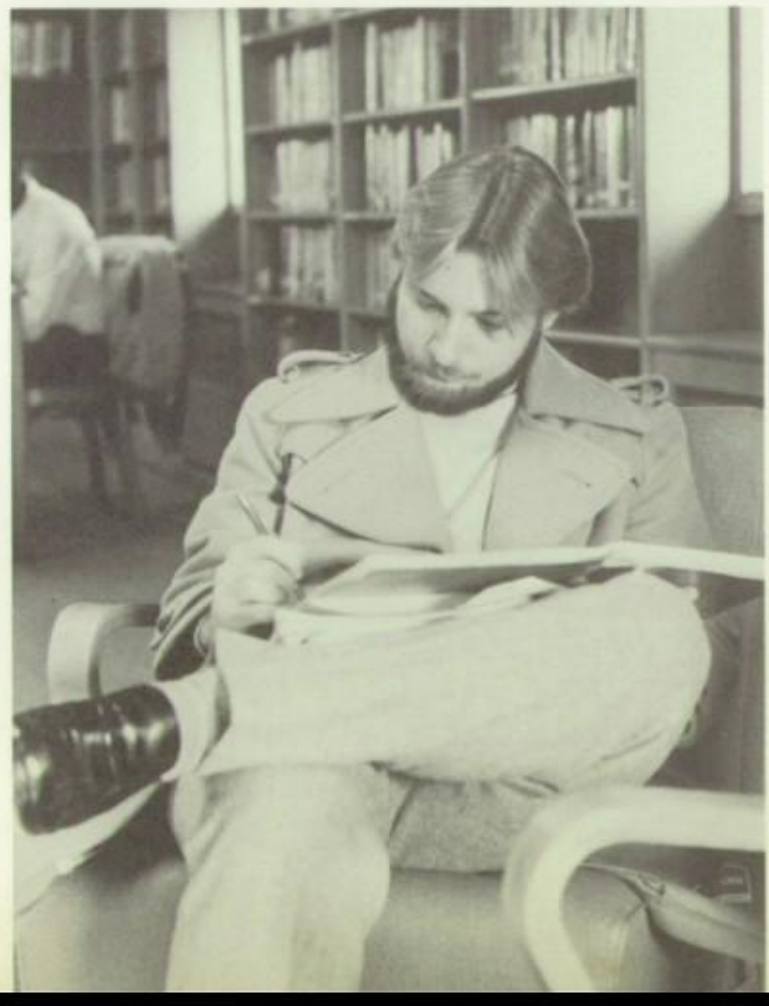


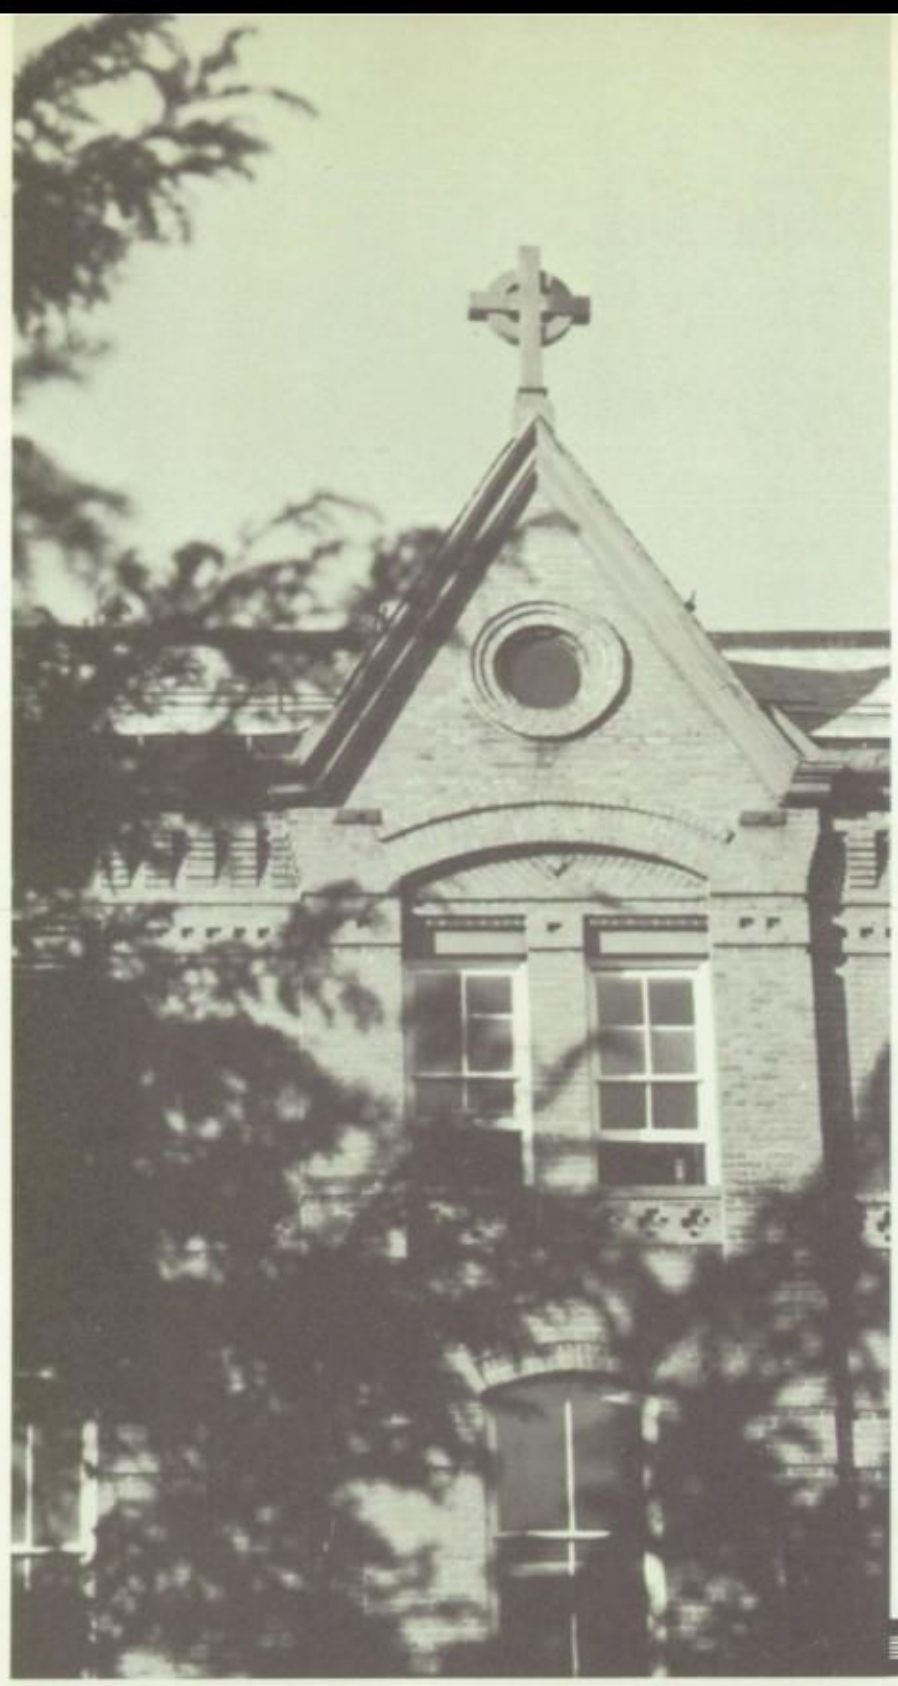
Always, we have held
high aspirations,
as we approached
each new horizon.



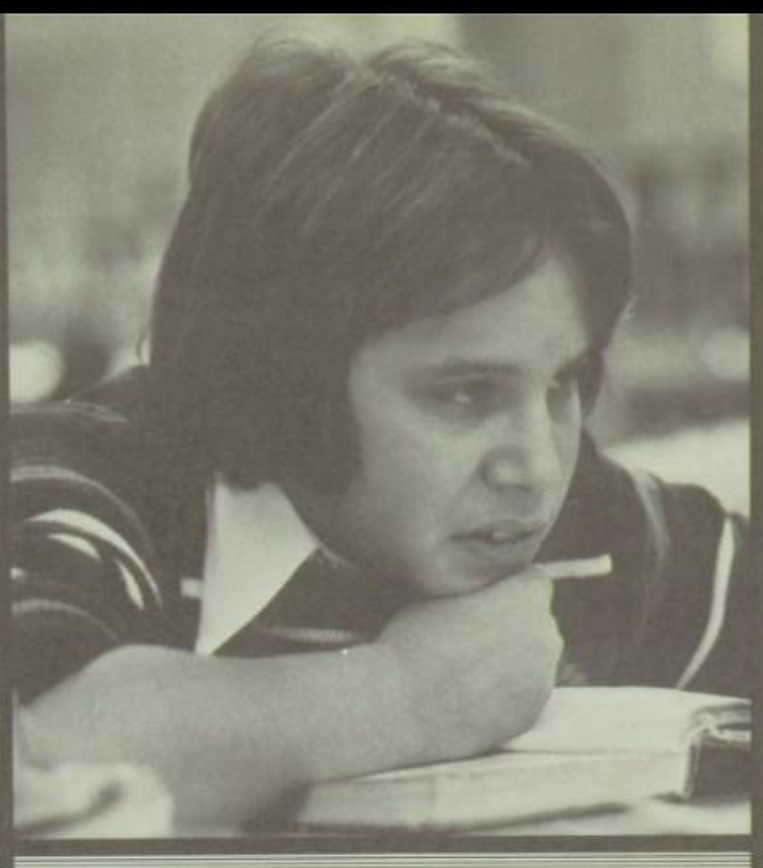
. . . and this is the weaving of human living; of whose fabric each individual is a part: each is intimately connected with the bottom and the extremest reach of time: and not one of these things nor one of these persons is ever quite to be duplicated nor replaced: but each is a new and incommunicable tender life, wounded in every breath, sustaining, for a while, without defense, the enormous assaults of the universe.

from **Let Us Now Praise Famous Men**
James Agee and Walker Evans





Though we may not always
have reached the pinnacles
for which we have aimed,
it is comforting to know
that we have come this far
together.



TO A FRIEND

I love you not only for what you are, but for what I am when I am with you.
I love you not only for what you have made of yourself, but for what you are making of me.
I love you for the part of me you bring out.
I love you for putting your hand into my heaped – up heart and passing over all the foolish and frivolous and weak things that you can't help dimly seeing there, and for drawing out into the light all the beautiful radiant belongings that no one else had looked quite far enough to find.
I love you for ignoring the possibilities of the fool and weakling in me, and for laying firm hand on the possibilities of the good in me.
I love you for closing your ears to the discords in me, and for adding to the music in me by worshipful listening.
I love you because you are helping me to make of the timber of my life not a tavern, but a temple, and of the words of my every day not a reproach, but a song.
I love you because you have done more than any creed could have done to make me happy.
You have done it without a touch, without a word, without a sign.
You have done it first by being yourself.
After all, perhaps this is what being a friend means.

The score was 6-0, in favor of the class of '77. The faculty did not stand a chance, against the spirit of our great senior boys. The bitter cold did not lessen the **estatic cheers** of the crowd that led the seniors to their victory. **This was the first victory in 10 years.**

With two 60's struck on the score-
board
And two seconds hanging on the clock,
The solemn boy in the center of eyes:
Squeezed by silence,
Seeks out the line with his feet,
Sooths his hands along his uniform,
Gently drums the ball against the
floor,
Then measures the waiting net,
Raises the ball on his right hand,
Balances it with his left,
Calms it with fingertips,
Breathes,
Crouches,
Waits,
And then through a stretching of
stillness,
Nudges it upward.
The ball
Slides up and out,
Lands,
Leans,
Wobbles,
Wavers,
Hesitates,
Exasperates,
Plays it coy
Until every face begs with unsound-
ing screams –
And then, And then, And then,
Right before ROAR – UP,
Dives down and through.

" . . . and so there ain't nothing more to write about, and I am rotten glad of it, because if I'd knowed what a trouble it was to make a book I wouldn't a tackled it, and ain't a-going to no more."

I'm sure all the staff agreed with Huck Finn when the Helenian '77 was completed in March. However, the finished product has made everything, worthwhile. After all the times I wished I never joined the staff, or that the book could magically be finished on its own, I can't believe it's all over.

When I recall all the people who contributed to this book, I don't know where to begin. Well, here goes . . .

. . .to the entire yearbook staff, for their dedication, time, and patience.

. . .to Mr. Dale Alger and Herff Jones Company, we would not have done it without the deadlines.

. . .to Mr. George Reubens and Lorstan Studios, for their fine quality pictures.

. . .to Mr. Jim Pathè, the photographer.

. . .to all the secretaries in the office, for assisting with the paper work.

. . .to the period 2 Typing II class, for their typing assistance.

. . .to Sr. Marie Magdalene, for putting up with it.

. . .to the administration, faculty, and student body, for co-operation and encouragement.

. . .and an extra special thank you to Mr. Davis, our moderator, for his advice, patience, and unforgettable devotion.

It has been an honor to work with these people in creating this yearbook. I hope that it will always bring back our many triumphs and defeats of 1977.

Best wishes always,

Moureen O'Dea
